**MONARCH**

# *Dedication*

As the 1966 graduating class, we are honored to dedicate the 1966 "Monarch" to our advisor, LeRoy Adam. This is his third year as a Warner teacher, and we have come to feel a strong bond between ourselves and him, for not only do we think of him as our teacher, but also as our friend.

Mr. Adam introduced football to W.H.S. this year and served as our assistant basketball coach. His duties, as our teacher, include, eighth and ninth English and German II.

Our thanks and appreciation, Mr. Adam, for your contribution to our education. May each year of your future be brighter and happier than the year before.

## *In Memoriam*

We would like to pause briefly at this time to remember one of our classmates, Ronnie Misslitz, who passed away last summer. Ronnie was a sophomore at Warner last year. Although he is no longer with us, his presence lives in our memories of W.H.S.
